

## Group Project Evaluation

**Name** \_\_\_\_\_

**Group** \_\_\_\_\_

***Project or Homework*** \_\_\_\_\_

Names of group members (including your name)	Points for “intellectual contribution”	Points for “physically accomplishing the work”
	TOTAL = 3·N points	TOTAL = 3·N points

Please award 3 times N points among your group members for each category, where N is the number of members in your group. Some members may get more (all?) the points than others. **ALL POINTS MUST BE INTEGER VALUES.** Only large relative differences will have an impact on the grade of individual members. Please answer briefly the following questions.

What did your group do well in working together?

What could be improved for next time?
