

# Group Evaluation I

NAME: \_\_\_\_\_

GROUP: \_\_\_\_\_

DATE: \_\_\_\_\_

A. Suppose your client has just given your group \$1,000 per person for work performed so far, i.e., a 5-person group receives \$5,000 and a 6-person group receives \$6,000. Redistribute this sum to the members of your group (including yourself) based on your overall assessment of the quality of work (amount and value) each member has contributed so far to the project.
