

# Netflix and Study

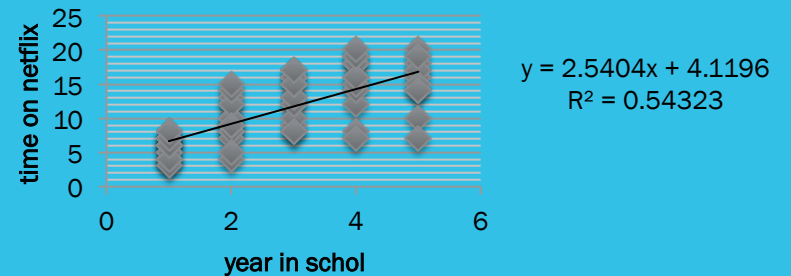

- How does a student's year in school correspond to the amount he or she studies and watches netflix?
- Does majoring in a STEM field also have an affect on this?

year in school vs. time spent studying

year in school vs. time spent on netflix

## Confidence Intervals

### STEM Major:

hours studied: 14.9 – 22.57

netflix watched: 8.8 – 11.53

### Non STEM major:

hours studied: 13.36 – 18.1

netflix watched: 10.66 – 14.57
